

Beautiful beings!

We would like to welcome you to the Reiki Level 2 workshop and share a little information so that you get the most from your day.

Please arrive from 09.30 onwards ready for a prompt 10.00am start. We have such a lot to share with you please be on time!

Map and directions to The HolistiCentre, Broome Park are available on the website www.theholisticcentre.uk

Once you are on site, you can use the car park named 'Presentation Centre Car Park'. Our retreat venue, The HolistiCentre is alongside this car park. We will also be enjoying other areas within the Broome Park Estate throughout our day.

We have attached a health questionnaire. If you have not attended a day before with us, or have significant health changes since, please complete this. Post it to us in advance (if complex or if it may considerably affect your experience on the day), or bring it with you. This information will be shared with Angela, Sarah and any other therapists we employ to assist us on the day. Due to the data protection act, hard copies only please.

When you arrive, please come to The HolistiCentre and leave shoes in the designated place at the top of the stairs. We recommend footwear that is simple to take off and on.

Please consider bringing or purchasing a crystal, the size is not important, what is important is that it feels lovely in your hand or has a special meaning to you. You will be holding this crystal during your attunement. If you would like to record your experiences or feelings then bring a book that is beautiful to you and a lovely pen to write with. If you did your Reiki 1 with us, it might be a lovely to use the same crystal as before.

The following is optional, but highly recommended. Please refrain from consuming alcohol, recreational drugs, meat or refined sugar for at least 3 days prior to your Reiki attunement. This also includes any known food or drink that leads to discomfort in the body.

Energetically it is preferable to have your physical system cleansed of anything that interferes with the free flow of your personal energy and, of course, Reiki energy. This simplifies the purification process. Rest and hydrate well beforehand.

We will be asking you to create your own nest, if you have your own special blankets, sheepskins, pillows or cushions then please feel free to bring them along. Loose comfortable clothing is also recommended.

We will do a few stretches to maintain body comfort during the day. The studio is equipped with yoga mats and blankets. If you prefer to bring your own mat, please do. You may bring water bottles into the studio, but no hot drinks or food.

You are welcome to help yourself to drinks and snacks at any time, we ask with much appreciation, that you clean your cups to keep the kitchen as tidy as possible.
